January 22, 1953 — March 19, 1971

I live in those who love me,
In those who know me true,
For the Heaven that smiles above me,
And waits my spirit too;
For the cause that lacks assistance
For the wrong that needs resistance,
For the future in the distance
And the good that I can do.
George Linnaeaus Banks

We're not the only bank in town. And we don't forget it.

There are a lot of banks around who'd like to have your business. We're just one of them. So we take extra steps to make sure you keep coming back to us.

With little things like checking our pens every day. So you don't become apoplectic trying to fill out a mere deposit slip.

And like keeping extra tellers on hand. So you don't grow old waiting in line.

And with bigger things like knowing which savings plan is best. (If you don't, our tellers do.)

We do a lot of other things to make your banking friendlier. And easier. We're not the only bank in town. So we're trying to be the best.

Come see the making of power

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

NEWPORT NEWS. WE'VE LAUNCHED MORE THAN 500 SHIPS.

But wait 'til you see our encore. When we started out in 1886, we were just a small ship repair yard. We named the company Newport News. Because we were proud to be doing business here.

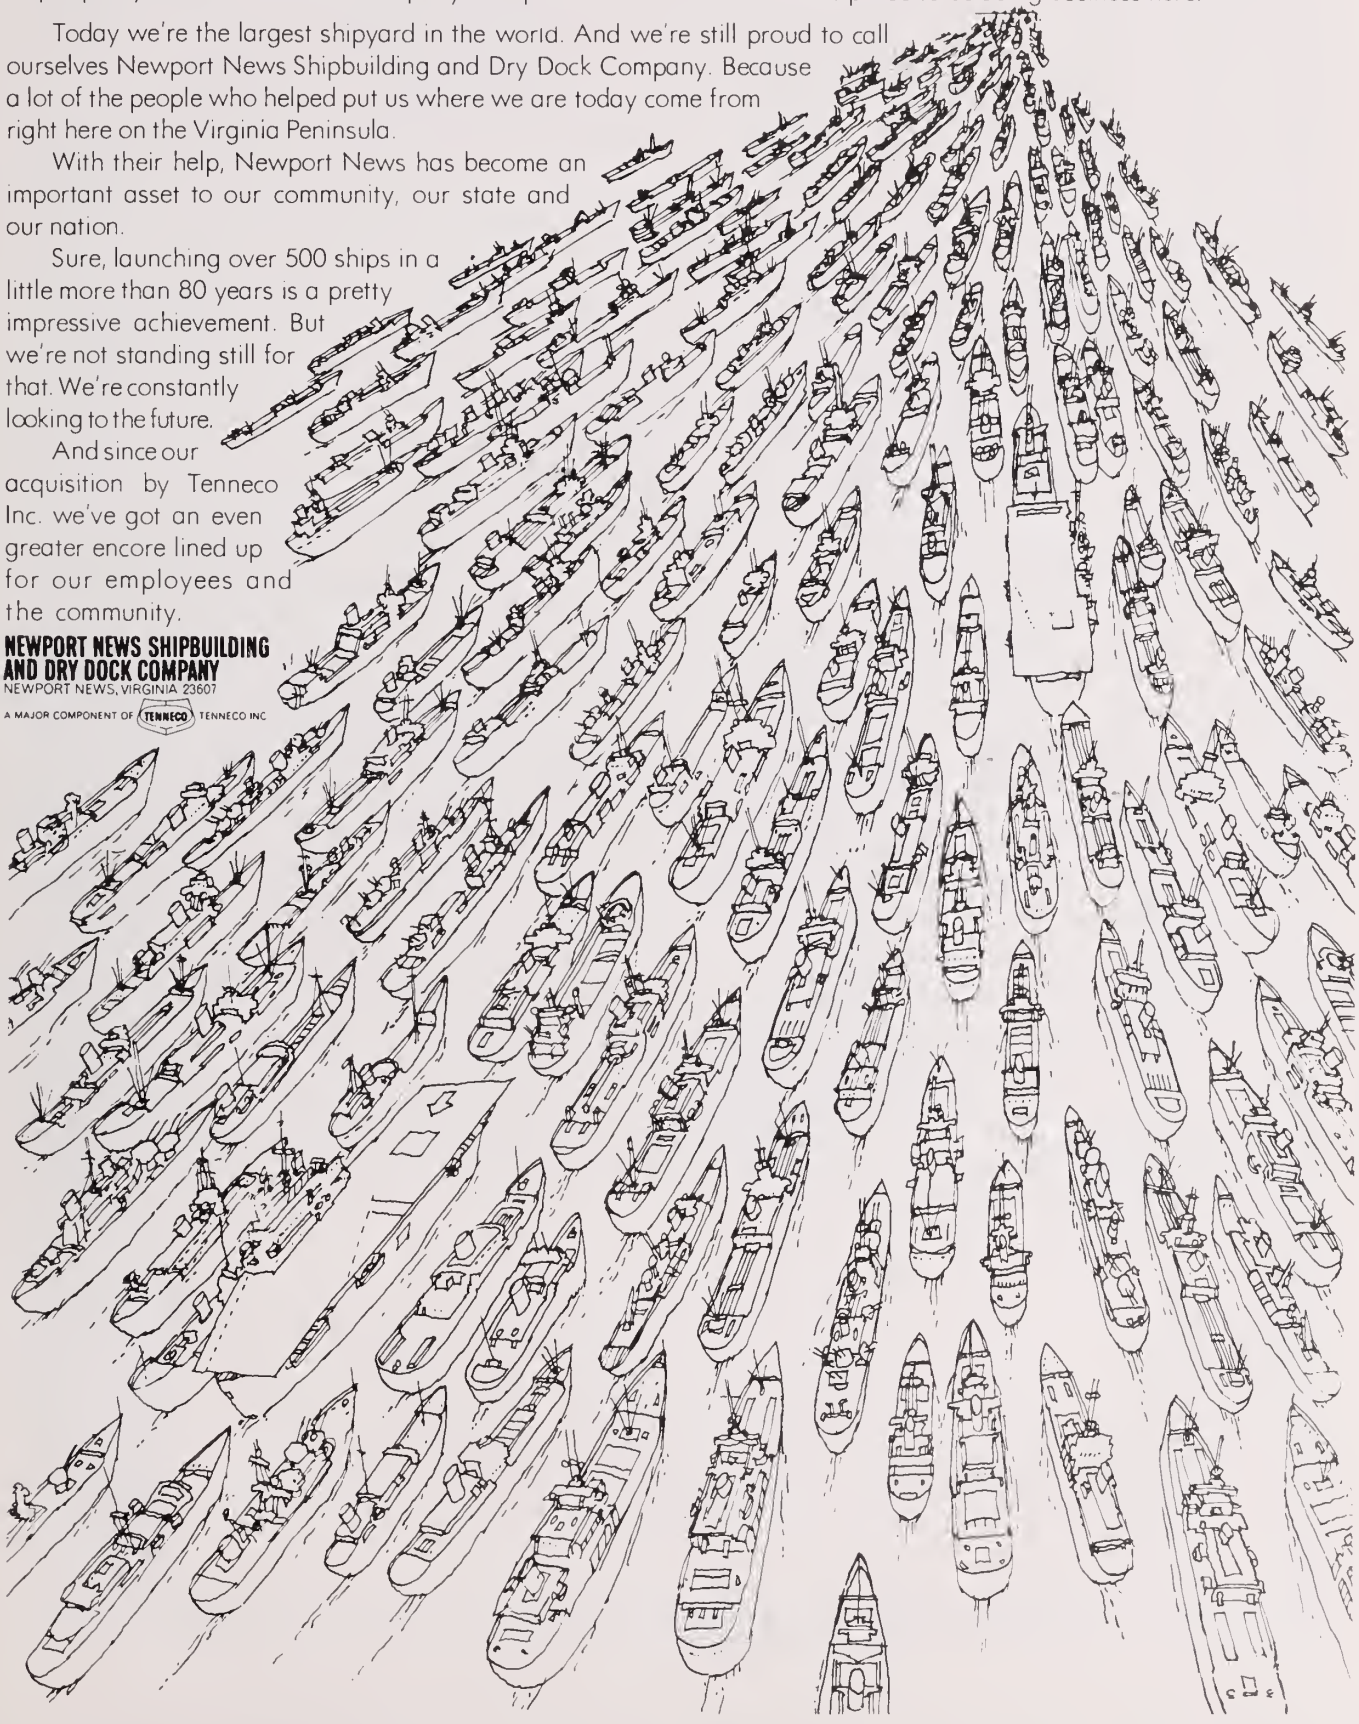

Today we're the largest shipyard in the world. And we're still proud to call ourselves Newport News Shipbuilding and Dry Dock Company. Because a lot of the people who helped put us where we are today come from right here on the Virginia Peninsula.

With their help, Newport News has become an important asset to our community, our state and our nation.

Sure, launching over 500 ships in a little more than 80 years is a pretty impressive achievement. But we're not standing still for that. We're constantly looking to the future.

And since our acquisition by Tenneco Inc. we've got an even greater encore lined up for our employees and the community.

Become Involved with YOURSELF

Vacation time is that one time of the year you get the chance to lighten your tasks—brighten your world. The one chance you get to feel at peace with yourself and the rest of the world.

You might want to explore this peace as you walk along the sandy beaches in Hampton, Virginia, thinking your own thoughts and dreaming your own dreams.

Or you may choose to visit the world of tranquility as you quietly cruise along the Hampton Roads Harbor aboard the Kicotan Clipper—Hampton's very own Navy.

No matter how you decide to break away from it all—do it here.
